

70 YEARS OF FERRY COUNTY TREASURES

2013

Book Cover created by Kaidance Miller

Our 2013 Premium Book Poster Contest Winner

Kaidance is a member of Girl Scout Troop #4848

And attends Curlew Elementary School.

The Ferry County Fair Association would like to thank **8 Year old** Kaidance who submitted her creative entry using a cell phone camera in this year's Premium Book Poster Contest.

Be sure to check next fall for the Fair Theme and poster contest details. The Fair Association looks forward to having more submissions to this contest by our local youth.

DID YOU SHOW AT THE FAIR LAST YEAR?

Did you enjoy the Exhibits, Food, and Entertainment at the Fair last summer? If you have never entered something in the Fair, did you know that ANYONE could? The most difficult part seems to be the first year you try to enter something using the Fair book. Although it may seem difficult, after you understand the "system" it is really quite easy, and we have many people who would love to help.

HERE IS A "QUICK GUIDE" FOR FIRST TIME AND RETURNING EXHIBITORS:

Who can enter exhibits?

Anyone, however, you must be the owner of (or manager of if 4-H) and the individual, who grew, built, created, or raised the exhibit you wish to enter.

What does it cost to enter?

Nothing more than your time, besides, if you enter more than three (3) exhibits, or are a 4-H Member, you are eligible to purchase a 3-Day Pass to the Fair at a Special Exhibitors price!

Can I enter exhibits in more than one department?

Enter individual items in one department only, and some divisions under those departments may limit the number of entries per class in those divisions. Individuals are not, however, limited to the number of departments in which they submit entries.

How far in advance must I enter an exhibit?

Exhibit Hall entries are taken to the Exhibit Hall on the Wednesday prior to the Fair. All animal and livestock entries are required to be registered, using the form provided in the Premium Book, by **July 20th**, excluding **Open Horses**.

What types of Awards, Ribbons, or both can I win?

The types of awards and ribbons will vary by Departments and 4-H or Open Classes. All "Premium Classes" will receive premium points for their ribbon placing; some have cash awards, while others have trophies as well. In the same box that defines "Department", you will see a B, R, and W followed by a number. That number indicated the points you will receive for a Blue, Red or White ribbon in that particular department. Each point is worth a small amount of money that may vary from year to year.

How are the exhibits judged?

The system that the Ferry County Fair uses is called the "Danish System". Under the Danish System, judges evaluate each exhibit judged on its own merits (not by comparison) and may give more than one 1st, 2nd, and 3rd (Blue, Red, and White) ribbon.

Who do I call if I have a question?

For Open departments you can call the Fair Business Manager at (509) 775-3146, and for 4-H departments you can call the WSU Ferry County Extension 4-H office at (509) 775-5225 Ext. 1116.

What do I do when I bring my exhibit to the fairgrounds?

You will need to stop at the sign-in desk and get an 'Exhibitor' number assigned to you. Fair Volunteers will then direct you where you need to take your entry to complete your entry tags for each item you are entering.

I DO NOT WANT TO ENTER AN EXHIBIT, BUT I WOULD LIKE TO VOLUNTEER TO HELP. WHAT DO I DO?

It takes **many** volunteers to put on the Fair each year and we **thank** everyone for giving their time and talents. Whether you have a specific area of interest, or just want to help in any way you can, we can use your abilities. Please call the Fair Business Manager for more information at (509) 775-3146 or fill out the form in the back of this book. It takes a large amount of support to put on our Fair each year, therefore **we do require everyone to purchase a gate pass, and for volunteers we offer 3-Day Passes** at the reduced rate of the Exhibitor's Pass. All are welcome; we would love to have your help.

❖ AIMS AND PURPOSES OF THE FERRY COUNTY FAIR

- To provide agriculture and related education to the general public
- To provide a well-balanced variety of exhibits: commercial and education, 4-H and youth organizations, and youth and adult open classes
- To promote agriculture and natural resources, and their role in our area's economy
- To furnish educational and training opportunities in such areas as demonstrations, contests, and judging
- To encourage everyone in the area to attend and participate in their county Fair
- To give our youth and adult citizens an opportunity to enter their animals in friendly competition. Whether it is 4-H, or Open Class (dairy, livestock, pets, horses, poultry, rabbits, goats, etc.)
- To promote farm life, including the rural home and rural organizations such as Granges, etc.
- To provide a place where people from all corners of our county can gather at one time in a spirit of friendship and participation

❖ AIMS AND PURPOSES OF A 4-H FAIR

- ❁ Provide 4-H members with an educational experience relating to projects, activities, personal skills, and accomplishments.
- ❁ Provide recognition and inspiration to 4-H members and leaders toward greater achievement.
- ❁ Provide an opportunity and challenge for 4-H members to broaden their relationships with other 4-H members and 4-H programs.
- ❁ Provide a dynamic and comprehensive review of 4-H and its accomplishments to the people of the State of Washington.
- ❁ Fairs are 4-H's time to be the public's showcase for the achievements of young people!

MEET OUR 2013

FAIR ROYALTY

Queen Serria Perryman

Howdy and welcome to the 2013 Ferry County Fair!

I am Serria Perryman, Queen of the Ferry County Mounted Royalty! I am 17 years old and currently a sophomore at Kettle Falls High School. I participate in Kettle Falls FFA Chapter with hogs, trap shooting and I am also a member of the Down-N-Dirty 4-H Kidz.

I enjoy being with my family, friends and in my spare time I ride and help my family train horses. I never know what horse I will be getting on next. I started rodeo again so I look forward in meeting all of you and seeing you several times throughout the summer. My Princess and I will be attending as many Rodeos and Parades as possible! Most of all come to the 2013 Ferry County Fair and have a great time!

Sincerely
Serria Perryman

Hi, My name is Becky Smoak, I am your 2013 Ferry County Fair Princess. I am currently a sophomore at Republic High School. I participate in volleyball, basketball and track during the school year. I am active all year long riding my horse. My favorite things to do are hanging out with my friends and family, playing sports and riding my horse.

My horse's name is Willow and I have been with her since she was born. I have had help from many close friends while raising and training her. She is now fully trained and is my show horse. We are best friends and love being together. We show English and Western and every once in a while, enjoy jumping in our spare time. Our favorite trainer/mentor is Hayley Tolton. She teaches us everything we know. We have been competing at the Ferry County Fair for the last four years together.

I am so excited to represent the Fair this year as your royalty. My good friend Serria Perryman, the Queen and I are looking forward to going to local rodeos and events to represent Ferry County. We will be an example of how older kids participating in the fair should act as a mentor for the younger kids and help them enjoy their fair experience. I hope to see you all at the fair!

Sincerely,
Becky Smoak

Princess Becky Smoak

PRESIDENT'S MESSAGE

Welcome to the 70th Annual Ferry County Fair!

70 Years*WOW!** I think the entire County can be proud of the Ferry County Fair. The success of the Fair is due to the hard work of the Fair Association and Board, Granges, Superintendents, Announcers, Anthem Performers, Flag Bearers, Arena Personnel and all the many other volunteers who work year round , particularly the week of the Fair to make it happen. Thank you to all those people. The Fair managers contribute new ideas and hard work. The support of local industry and businesses are imperative to our success along with the commitment from the Board of Commissioners, other elected officials , Ferry County WSU Extension office and the 4-H Program. Let's not forget the exhibitors themselves who bring animals, food items, arts & crafts and commercial exhibits for all to enjoy. The quality of these items and exhibits are as good as any found at a Fair in the state. The professional relay teams, race horses and horse games make for an exciting Saturday and Sunday program. You can always spend some time at the food stands enjoying a wide variety of food or listening to varied and accomplished musicians and dancers. Friday night Bulls and Barrels and the Relay Races are a popular event, as are the Friday and Saturday dances. Saturday's 4-H Market Sale, where you can support 4-H Market Livestock projects is crucial to help 4-H members with their livestock programs.

Last year's shuttle service from Republic High School to the Fairgrounds was a success and will be back this year. Also this year all **food exhibits will be returned to exhibitors**. The Fair Board and the County Granges have worked hard toward improving both the quality of food available, service and hours of operation so try an old favorite or maybe a new food item. Let us know what you think about these improvements and services.

Hope to see you at the Fair

Hazel Borders
Ferry County Fair Board President

1. Do not leave vehicles overnight in the general parking lot next to the campgrounds. After your camp is set up, please get a campsite number from the Superintendent, place it on your vehicles dash, and park ALL VEHICLES in the lot WEST of the main parking area.
2. **Showers:** Coin operated showers are available at the campground restroom. You will need to bring your own quarters, as the campgrounds Superintendent/Managers will not be able to make change.
3. **Camping Reservations not held after 10:00 am Friday of the Fair if you have not paid.**

❖ **Owners of Livestock: Health Requirements for animals**

See “Animal Code of Ethics” Below

1. The Fair will have official Fair Veterinarians.
2. Individual Health Certificates on Washington animals are not required for entry into the Fair. The health status of entries ascertained at the time of entry and will continue under the Barn Superintendent’s surveillance while on the Fairgrounds. All entries must be free from visible evidence of infectious and contagious disease when presented and must remain so while on exhibit. The Fair Veterinarian will be the final authority in determination of suitability for exhibition and upheld by the Fair Board and Association.
3. Any animal refused by the veterinarian at check-in must be removed from the Fairgrounds and returned home immediately. There are no facilities to house animals that can’t be exhibited. Animals on exhibit at the Fair are the very best of their species and must present this image to the viewing public. No animal from a quarantined area or premise may be permitted to enter the Fair or show.
4. Exhibitors should note and respect the potential for exposure to health-threatening conditions while at a Fair. Crowding of animals, long distance hauling and changing environmental conditions are major stresses to which exhibit animals are subjected. Animals, like humans, have the capability to become recovered carriers of viruses or other infectious agents. Exhibition-imposed stress may cause a recrudescence or reactivation with resulting outbreaks of disease. The Fair Management will do all in its power to protect each exhibit while on display.
5. **“4-H Animal Exhibitor Commitment to Quality Animal Care”.** * The exhibitor has important responsibilities prior to fair time. Implement these responsibilities three weeks before entering the Fair circuit. Vaccinations must be up to date and an effective parasite control program employed. State-of-the-art preventative care strongly recommended for all animals exhibited.
6. **Animals not intended for exhibition will be denied entry to the Fairgrounds.**
7. Fair Veterinarians will reject any animal with infectious or contagious diseases or ectoparasites. Exhibitors should be aware that ringworm, warts, pinkeye, strangles, contagious ecthyma, scabies, lice, mites, ticks, and fleas fall into these categories.
8. Animals exhibiting disease symptoms during the course of the Fair will be rejected by the Fair Veterinarian and removed from the exhibit area.
9. “Out-of-State” animal entries must comply with the State of Washington import regulations or receive an exemption from state veterinarians for exhibition at the Fair only.
10. Barn Superintendents and Supervisors have the authority to call a veterinarian in an emergency. The owner will be responsible for all expenses incurred.

Cattle

- a. All female cattle up to 12 months of age **MUST** be vaccinated for brucellosis (**BANGS**) virus.
- b. It is strongly recommended that preventive protection against IBR (infectious bovine rhinotracheitis), BVD (bovine virus diarrhea), PI3 (para influenza 3 virus) and leptospira (5 serotypes), clostridial diseases, (ie. Blackleg and malignant edema), pasteurilla, haemophilus and

RSV (respiratory syncytial virus) be provided. Immunization must be completed a minimum of 3 weeks prior to exhibition in order to provide the intended protection.

Dogs and Cats

- a. All dogs, regardless of origin, 3 months of age or over **must** show evidence of vaccination with an approved rabies vaccine. Exhibitors must present proof of vaccination by a licensed veterinarian, against rabies. Dogs **should** also be vaccinated against distemper, infectious hepatitis, leptospirosis, parainfluenza, parvo, and corona viruses. Owner must bring proof of certificate indicating the dates of last shots.
- b. Vaccinate all Cats against rabies with an approved vaccine. Cats **should** also be vaccinated for feline panleukopenia, feline rhinotracheitis, calicivirus and leukemia viruses and Chlamydia.

Equine

- a. Consider preventative measures. Please see General Veterinarian Information.
- b. The West Nile Virus is being diagnosed in some equine in Washington. While not requiring vaccine protection from this mosquito-borne illness, appropriate vaccine protection is encouraged by the Fair.
- c. Since incidents of equine Rhinopneumonitis (Equine Herpes Virus, EHV-1), Eastern and Western Encephalomyelitis, Influenza and Tetanus occur in Washington, the Fair recommends vaccinal protection.

Llamas/Swine/Rabbits/Cavies

- a. Consider preventive measures. Please see General Veterinarian Information.

Sheep/Goats

- a. Consider preventive measures. Please see General Veterinarian Information.
- b. **Scrapie Tag Requirement:** All sheep and goats (4-H and Open) over 18 months of age (ewes, rams, and wethers), and sexually intact sheep (rams and ewes), and all sexually intact goats (bucks and does) **MUST** have an official USDA National Scrapie Eradication assigned flock identification. Note: 4-H Market Lambs are **NOT** required to have Scrapie Tags if under 18 months of age per USDA guidelines. Scrapie defined as a fatal degenerative disease affecting the central nervous system of sheep and goats. Scrapie classified as a transmissible spongiform encephalopathy (TSE). **Livestock pens not assigned until Wednesday of the Fair.**

Barn Superintendents or Supervisors will perform a preliminary health inspection upon arrival and issue stall cards.

VETERINARIAN HOURS

The Veterinarians will be on the grounds during the following hours to review the Barn Superintendents or Supervisors preliminary health inspections and to stamp stall cards. Be sure to check the time that your animals must be on the grounds by.

Monday 7:00 pm- 9:00 pm **Wednesday** 7:00 pm – 9:00 pm

Thursday 10:00 am – 12:00 pm

Veterinarian hours are approximate and are subject to change without notice.

❖ Animal Code of Ethics

This code of ethics applies to anyone bringing animals onto the Ferry County Fairgrounds. It includes rodeos, Junior as well as Open class exhibitors, and 4-H. All classes of livestock offered are included; Cattle (Beef, Dairy), Goats (Angora, Cashmere, Dairy, Meat, Boer), Equine (Donkey, Horses, Mules), Llamas and other specialty animals, Poultry, Rabbit, Sheep, Swine, and any other livestock.

The following practices or procedures are unacceptable and defined as being deceptive, fraudulent, unethical, and inhumane in the care, fitting, preparation, and showing of all classes of livestock. The use of any illegal drugs prohibited. Legal or illegal substances used to phenotypically alter the appearance of an animal entered in a livestock event is prohibited, (See rule #4). Use of illegal drugs considered a premeditated act! Furthermore, any information obtained in the practice of illegal alteration of an animal turned over to the proper authorities for criminal prosecution. **THIS IS A ONE STRIKE YOU ARE OUT POLICY.** Exhibitor will forfeit any premium, awards, auction proceeds, or use of the grounds, and prohibited from future participation at the Ferry County Fairgrounds, as well as being subject to criminal prosecution if proven guilty.

The following is a listing of guidelines all owners or managers must follow:

1. Feed and water all animals **at least once** a day adequately. All reasonable measures will be made to keep stock contained. At no time will any stock be allowed to be loose on Fairgrounds. All liability incurred by loose stock will be that of the owner of said stock.
2. In the Fair Market Sale, no exhibitor may show an animal previously sold at an auction or sale as a market animal through another Fair, or livestock show, whether or not there is an actual change of ownership (progressive level show excluded). Any method used to misrepresent the age of an animal for a class in which shown is deceptive and considered illegal. Claiming ownership in order to show in a specific livestock class or event prohibited. **FALSE OWNERSHIP IS ILLEGAL.**
3. All exhibitors during the Fair or other shows expected to care for and groom their animals while on the Fairgrounds or livestock show (individual consideration given in extenuating circumstances). Adults not allowed to physically assist in the preparation of the animal while at the show. Verbal instruction allowed, but no physical assistance permitted. Other junior aged members in good standing in the 4-H programs may render physical assistance. Any violations of this rule will result in immediate disqualification from the show.
4. Treating an animal internally or externally, with any irritant, counter-irritant, or other substance used to artificially change the conformation or appearance of an animal for show is considered unethical, inhumane, and is prohibited. This includes, but is not limited to the use of graphite, powders, henn, artificial hair coloring, common products such as fly spray, ointment or liniment used to the point that it is irritating (unless required to reduce edema at time of calving), or similar type products. The use of dyes, spray paint or other artificial coloring, which result in altering an animal's true and natural appearance and / or color, prohibited. Adding false hair or hair-like material, fleece or skin at any point, spot or area of the animal's body is illegal and will result in immediate disqualification. Any liquid or substance not considered a part of an

accepted and normal diet for livestock deemed illegal and inhumane. For example: the use of alcoholic or carbonated beverages as a drench or filler.

5. The use of tranquilizers, sedatives, or depressants, (Herbal or Non-Herbal) which alter the physical or physiological state of the animal is illegal. Exceptions to this rule would be a licensed, certified Veterinarian's treatment for a recognized disease or injury, or recommendation for tranquilizing breeding animals in heat that might compromise the safety of others. **The drugs must be approved by The Food and Drug Administration.** All market exhibitors shall advise show management of any drugs and medications administered to an animal detected at the time of showing or at meat inspection. The name of the drug, its purpose, the person who administered the drug, time and date of administration shall be presented to show management prior to the showing and sale of animal. Failure to report this information to the show management will result in severe penalty, disqualification or both. **Any use of drugs or substances not approved by the Food and Drug Administration strictly prohibited.** All animals entered into livestock competition shall be subject to testing for foreign substances that exceed acceptable levels established by the FDA, FSIS, USDA, or EPA. During a market livestock event, in the case of animals requiring treatment, a licensed Veterinarian shall administer all medications and the livestock show officials shall be notified.
6. Surgery, injection or insertion of foreign materials under the skin or into the flesh of an animal to change the natural contour, conformation or appearance of an animal's body is illegal. This includes vegetable oil, silicon or any other substance used to alter the shape of the animal. Acceptable practices of physical preparation allowed include clipping of hair, trimming of hooves, dehorning, or removal of ancillary teats.
7. The balancing of the udder by abnormal means that includes the use of a mechanical contrivance or the injection of fluid or drugs, setting the teats or occluding (sealing the ends) with a mechanical contrivance or with the use of a chemical preparation is illegal. Treating or massaging the udder or its attachments with an irritant or counter irritant is prohibited.
8. The use of inhumane fitting, showing, or handling practices or devices not tolerated. For example, breaking of tails, striking of the animal to cause swelling or for bracing purposes, use of an electrical contrivance, or use of overly severe bits is not acceptable.
9. Direct criticism or interference with the judge, show management, other exhibitors, breed representatives or show officials before, during or after the competitive event prohibited.
10. At the time an animal is sold at a market auction in the livestock show and travels directly to slaughter, the exhibitor shall be held directly responsible for animals that are rejected at a processing center due to the presence of foreign residues. The seller may be liable to the buyer for an amount equal to three times the purchase price and may be liable for attorney's fees and civil penalties. **Show management may share acceptable intelligence and evidence information with FDA and USDA.** If for any reason, the FDA or USDA inspectors must remove any part of a meat animal carcass, the market price will be discounted.
11. Show management reserves the right to require animal health certificates. Health inspections and diagnostic tests may be made before or after animals are on the livestock show premises for exhibitor and animal safety, or to inaugurate disease control procedures, which may become necessary in emergencies as determined by animal health officials.

Any violation of these "**Animal Code of Ethics**" or specific rules as designated by the Fair, will result in forfeiture of premiums and awards, disqualification, and may result in probationary status, loss of eligibility, or both for future participation in organized events. **Possible civil penalties may be imposed by the proper authorities based on evidence provided by the livestock show of exhibitors in violation of the Federal Food, Drug and Cosmetic act, the animal mistreatment, neglect, and abandonment laws, or both that apply on the local, state, and national levels.** Other cooperating shows will be notified of the action taken by Fair management, which may affect the eligibility of the individual, group, or sponsoring organization for participation at other shows.

By making entry in a livestock or equine show or event you are verifying you have read the "Animal Code of Ethics" and understand the consequences of the penalties involved for illegal, unethical, inhumane, and unfair practices of competition. You also verify that you and your family may be prohibited from future participation in organized Fairs, livestock and equine shows in the United States, and could face possible criminal prosecution and/or civil penalties if implicated in any of the aforementioned acts.

**** The decision of the Fair Management is final. ****

❖ **Judging – the Danish System**

The Ferry County Fair uses the Danish System of judging, this method of judging also known as the “Group Method”

Exhibits graded based on Blue, Red, and White awards known as the Danish System that permits more equitable recognition of good exhibits. Grand and Best of Show Ribbons are awarded based on judge’s decision. When articles are not deemed worthy, judges can refuse to award Grand or Reserve as well as premium, whether there is competition in the class or not. Judges must follow Fair rules and policies, and if so, the Judges decisions are final!

DEFINITION - A method of evaluating exhibits, entries and participants in a particular class or contest according to the standards developed for that class or contest.

HOW TO USE - After the evaluation of each item in the class, the entire class is subdivided into 4 groups according to their merit. If the performance of an individual is being evaluated, give due consideration to their age.

THE FOUR GROUPS-

- **BLUE:** Excellent, does not indicate perfection. Example of numerical score = 85-100 (B)
- **RED:** Good, things that are good in relation to the class standards, enough specific shortcomings found to cause the placing to drop from excellent to good. Example of numerical score = 70-84 (R)
- **WHITE:** Fair, this group contains those things (exhibits or contestants) that upon evaluation found lacking and rate only average or moderately satisfactory. Example of numerical score = 69 or lower. Does NOT mean failure (W)
- **NO AWARD:** Those exhibits or contestants who for one reason or another fail to produce that level of achievement which can be reasonably expected.

❖ **Booth Requirements and Awards**

Judging to take place on Thursday – **Booths MUST register and obtain an Entry Tag from the 4-H Fair Office.**

❖ 4-H Herdsmanship Rules

All animal exhibitors (4-H and Open) **MUST** sign-up for and perform duties as described by Barn Superintendent, individuals **WILL** sign-up for a day and time slot. The first chance to sign-up will be at the annual Fair Work Day. Anyone not signed-up will be assigned a duty time.

DUTIES:

- ❁ Keep all pens, equipment, and alleys clean and neat, entering pens only in compliance with Fair rules.
- ❁ Approach visitors and ask if they have any questions about the exhibits. Inform them of what goes into raising an animal and showing it. Be courteous; remember you are representing the 4-H Program.
- ❁ Individuals are responsible for the barn during their duty. Individuals **MUST** be on duty according to the pre-assigned roster. Members may be allowed to trade duty with other 4-H'ers with the approval of their Leader or Barn Superintendent. The 4-H'er will make the change on the roster. This system will make the barns neater and uniform, reduce 4-H'ers hours on herdsman duty, and give us higher state evaluation points, which will mean more premium money in the future.
- ❁ If you **DO NOT** serve your barn duty, leave your animal uncared for, leave tack lying around, etc. **ALL OR PART of Your PREMIUM CHECK CAN AND WILL be WITHHELD.** The Barn Superintendents, Fair Association, and Fair Business Manager have the authority to enforce this rule. This duty may only be served by the 4-H'er.
- ❁ Clean all pens and by 9:00 am each day (Tuesday through Sunday) by the 4-H Exhibitor. **All Exhibitors must feed, water, and clean the pens of their animals.**
 - **HORSE Exhibitors, including Open, are responsible for their horses and their stalls.**
 - Random checks using a standard checklist conducted. **Example Checklist: stall cleaned, animal fed, water buckets clean and functional, tack put away, animal clean, etc.**
- ❁ 4-H members will **NOT** be responsible for OPEN Exhibitor's herdsman duties. 4-H members will **NOT** clean stalls, pens, hutches, etc. of an OPEN Exhibitor. If asked to do so, please report it to your Barn Superintendent or Extension Agent.
- ❁ 4-H'ers may share a horse within the same household and only show with the other having an exemption to Showmanship. The rest of the classes split amongst the Members. Both Members must keep records on the single horse and equally maintain the project, or neither Member allowed participation with this horse at the Fair. The ultimate decision will be made by the Club Leader(s) prior to Fair Registration to be sure this allowance is not abused and both Members are doing equal work.

❖ 4-H Market Sale

SATURDAY – 7:00 PM IN THE FAGERLIE LIVESTOCK PAVILION

- ❁ This sale is limited to 4-H Market Animals of 4-H Members enrolled for the current 4-H year either as a Junior, Intermediate or Senior in the Ferry County 4-H Program.
- ❁ All Market Animals shall be weighed in and tagged by the Livestock Superintendents or their delegates to determine if they may be entered in the Market Animal classes.
- ❁ Members enrolled in Livestock Projects who wish to market their animals through the Sale, **MUST** so indicate when registering by checking the appropriate box for that animal.
- ❁ **NO HORNS or re-growth allowed over 2" on market steers and all Male Livestock MUST be castrated, and completely healed from both procedures. If the animal is not fully healed, it will be removed from the fairgrounds.**
- ❁ Market Animals will be listed on a sheet with placing.
- ❁ Members are limited to the sale of two animals per individual and must be of different species.
- ❁ If an Exhibitor shows more than one animal in any Market Class, the second animal is **NOT** eligible for Grand or Reserve Champion ribbons.
- ❁ **GRAND and RESERVE CHAMPION Animals MUST sell at the Ferry County 4-H Market Animal Sale – NO EXCEPTIONS.**
- ❁ If any of the Market Animals sold on the rail and tracked, the owner will be paid according to what price it brings, and support, less sale set aside percentage.
- ❁ Weight limits on Market Animals to qualify for the Sale are as follows:
 - Market Steer 1,000 lbs. Minimum And Must Be 24 Months Or Younger
 - Market Lamb 100 lbs. To 160 lbs. And Must Be 6 Months Or Younger
 - Market Hog 225 lbs. To 300 lbs. And Must Be 6 Months Or Younger
 - Market Goat 50 lbs. To 125 lbs. And Must Be 12 Months Or Younger

Under finished, non-market looking animals can be given a White Ribbon. **NO WHITE RIBBON animals sold at the auction.**

Hogs and Lambs weighing **OVER** their maximum weight limit, which go through the Market Animal Sale, will be sold at the maximum weight limit (Steer – no maximum). Hogs, Lambs and Steers weighing **LESS** than the minimum weight limit will be entered into their appropriate Feeder Class and will not, be sold at the Sale.

- ❁ Terms of the Market Animal Sale shall be cash or check. Purchasers please arrange for destination of their purchase before leaving. Animals sold must go to slaughter or home of buyer.
Livestock weighed with shrink as posted at the scales.
- ❁ **A maximum of 4% of the total sale price will be set aside and retained to cover the cost of the sale and for an educational fund.**
- ❁ **Market Animals of different species will not show at same time.**

- ☘ All 4-H Livestock Members selling Market Animals at the sale on Saturday evening will be responsible for the welfare of their animals until 5:00 pm on Sunday, or until the animals are loaded for shipping.
- ☘ Carcasses, condemned by packers because of drug use, shall be the responsibility of the owner and all support and premium money for the animal forfeited.

Department 119

DIVISION 1 – 4-H FARM AND HOME CROPS

B – 20 R – 15 W – 10

Hay

- The Exhibitor’s family must produce hay.
- Judging based on leafiness, fineness of stem, coloring, percentage of foreign material, and stage of maturity.

Sheaf Grain and Forage

- Sheaves, grain grasses, and legumes should be at least 2” in diameter at the base and tied or taped in three places.
- Judge will consider leafiness and quality in addition to height.
- Preparation of samples: A few days before the grain is ready to harvest, select samples, and with a knife, cut them close to the ground, to get the full length of the straw. Be careful not to break the straw in handling. Spread samples in sun to bleach. See that samples never get wet after cutting. When bleached and straw is dry, bind in 2” or greater bundles, tying in three places without cutting the straw. Hang in dry place with heads down.
