The Washington State Grange brought power to the people.

The Grange led the Initiative campaign that resulted in the law allowing formation of public utility districts. The Grange's hard-fought battle enabled communities to own and operate their own utilities with a focus on service, not profit.

AIMS AND PURPOSES OF A COUNTY FAIR

- To provide agriculture and related education to the general public.
- To provide a well-balanced variety of exhibits: commercial and education, youth organizations and youth and adult open classes.
- To promote agriculture and natural resources and their role in our area's economy.
- To furnish educational and training opportunities in such areas as demonstrations, contests and judging.
- To encourage everyone in the area to attend and participate in their county Fair.
- To give our youth and adult citizens an opportunity to enter their animals in friendly competition. Whether it is 4-H, Grange or Open Class.
- To promote farm life, including the rural home and rural organizations such as Granges, etc.
- To provide a place where people from all corners of our county can gather at one time in a spirit of friendship and participation.
- Provide youth members with an educational experience relating to projects, activities, personal skills and accomplishments.
- Provide recognition and inspiration to youth members and leaders toward greater achievement.
- Provide an opportunity and challenge for youth members to broaden their relationships with other youth members and programs.
- Provide a dynamic and comprehensive review of youth members and its accomplishments to the people of the State of Washington.
- Fair is a time to showcase for the achievements of young people!

DID YOU SHOW AT THE FAIR LAST YEAR?

Did you enjoy the exhibits, food and entertainment at the fair last summer? If you have never entered something in the fair, did you know that ANYONE can? The most difficult part seems to be the first year you try to enter something using the fair premium book. Although it may seem difficult, after you understand the “system” it is really quite easy and we have many people who would love to help.

HERE IS A “QUICK GUIDE” FOR FIRST TIME AND RETURNING EXHIBITORS:

Who can enter exhibits?

Anyone, however, you must be the owner of (or manager of if 4-H) and the individual, who grew, built, created or raised the exhibit you wish to enter.

What does it cost to enter?

Nothing more than your time, besides, if you enter three (3) exhibits or are a 4-H member, you are eligible to purchase a 3-day pass to the fair at a special exhibitor’s price!

Can I enter exhibits in more than one department?

Enter individual items in one department only and some divisions under those departments may limit the number of entries per class in those divisions. Individuals are not, however, limited to the number of departments in which they submit entries.

How far in advance must I enter an exhibit?

Exhibit Hall entries are taken to the Exhibit Hall on the Wednesday prior to the Fair. All animal and livestock entries are required to be registered, using the form provided in the Premium Book, by July 21, excluding Open Horses.

What types of Awards, Ribbons or both can I win?

The types of awards and ribbons will vary by Departments and Classes. All “Premium Classes” will receive premium points for their ribbon placing; some have cash awards, while others have trophies as well. In the same box that defines “Department”, you will see a B, R and W followed by a number. That number indicates the points you will receive for a Blue, Red or White ribbon in that particular department. Each point is worth a small amount of money that may vary from year to year.

How are the exhibits judged?

The system that the Ferry County fair uses is called the “Danish System”. Under the Danish System, judges evaluate each exhibit judged on its own merits (not by comparison) and may give more than one 1st, 2nd and 3rd (Blue, Red and White) ribbon.

Who do I call if I have a question?

Open departments you can call the fair Business Manager at 509-775-3146. 4-H departments you can call the WSU Ferry County Extension 4-H office at 509-775-5225 Ext. 1116 or WSU Colville Reservation Extension 4-H Office at 509-634-2304. Grange departments you can call Mary Davis 360-580-6081 or Cindy Walton 509-207-0902.

What do I do when I bring my exhibit to the fairgrounds?

You will need to stop at the sign-in desk and verify your address. Fair volunteers will then direct you where you need to take your entry to complete your entry tags for each item you are entering. Suggestion: Print your address labels for your entry tags.

I DO NOT WANT TO ENTER AN EXHIBIT, BUT I WOULD LIKE TO VOLUNTEER TO HELP. WHAT DO I DO?

It takes many volunteers to put on the fair each year and we thank everyone for giving their time and talents.

Whether you have a specific area of interest or just want to help in any way you can, we can use your abilities.

Please call the fair Business Manager for more information at 509-775-3146 or fill out the form in the back of this book. It takes a large amount of support to put on our fair each year, therefore we do require everyone to purchase a gate pass and for volunteers we offer 3-Day Passes at the reduced rate of the Exhibitor’s Pass. All are welcome; we would love to have your help.

Your acceptance of this invitation is strictly voluntary, but once you have arrived on the fairgrounds, compliance with any standards or requests from fair management is not.

2023 FERRY COUNTY FAIR ROYALTY

Princess Inorah Johnson

Hi, and welcome to the Ferry County Fair. My name is Inorah Johnson and I am so excited and thrilled to be your 2023 Ferry County Fair Princess!

I am 17 years old and a Junior at Wilbur-Creston-Keller High School. I have been showing at the Ferry County Fair since moving to Keller in 2017 and am a member of the Keller Valley High Riders 4-H Club. At the fair I have participated in many different activities, from showing horses, goats and sheep, to shooting sports and joining in on Kids Day gaming. I love the fair because it's a good place for family and friends to gather as well as meet new people and make new friends.

There are many ways to participate in the Ferry County Fair, from showing livestock to just walking around and looking at all of our cool vendors. Kids Day is a fun day for kids with enjoyable games in the arena for the littlest of spectators like stick horse races and the egg toss. It's fun for all ages.

So please come join us at our beautiful lively fair and help us celebrate Discovering Gold at the Ferry County Fair.

Queen Kayden Coffey

Hello everyone, my name is Kayden Coffey and I am your 2023 Ferry County Fair Queen. Welcome! I am so excited to show you what the fair means to me!

I am a junior at Curlew High School and do distance learning through Marketsquare Education. I am also a member of the volleyball team and the co-captain of our cheer squad as well as a member of NHS.

Last year I was given the opportunity to be the Ferry County Fair Princess. Throughout the summer I was able to participate in rodeos and parades which helped to promote the fair.

To me, fair is much more than just an event at the fairgrounds; it's a meaningful family tradition. I have been participating in the fair for as long as I can remember, from gaming and showing my horse to entering artwork and vegetables in the exhibit hall, and it's always been something I could look forward to.

I hope everyone can have the same positive experience with the fair. It is truly a place that brings people together.

Princess Natalie Brownlee

Hi, and welcome to the Ferry County Fair! My name is Natalie Brownlee and it is such a privilege to be able to introduce myself as one of your 2023 Ferry County Fair princesses.

I am 14 years old and I am a Freshman at Tonasket High School. I am a part of the Tonasket high school wrestling team and I'm hoping to try new sports as well this year. I love taking my horses to rodeos and trying different events such as carrying flags, barrel racing, pole bending and I hope to try more rodeo events soon.

Last year I carried flags with my mare Sarah for the Tonasket Founders Day rodeo and also in the Omak Stampede. I hope to continue carrying flags again this year. I first participated in the Ferry County Fair in 2019 with my mare Sarah, and have looked forward to the fair every year since.

This year I couldn't be more excited to represent the Ferry County Fair with my gelding Ace and to see all of the great exhibits, livestock and vendors. I look forward to seeing everyone this year at the 2023 Ferry County Fair!

LETTER FROM THE PRESIDENT

Hello, Ferry County Fair Participants!

Last year's Ferry County Fair saw several changes to our fairgrounds and facilities with a new arena, a new announcer's stand and a new sound system to mention a few of the upgrades. Also, safety was greatly improved by permanently separating the racetrack from the arena. As with almost all events and activities at the fair, they only happen because of the incredible efforts of volunteers and the Ferry County Fair has been blessed with the best volunteers that there are. I have to mention a special thank you to fair board members, Carolyn Harman and Analee Coffey, and their families, for all of the time and extra effort they put in to make our dream of a better facility a reality.

I'm very excited for the 2023 Ferry County Fair and our board is working hard to ensure that this year's fair is the premier event that all have come to know and expect! I'm very much looking forward to seeing all of the livestock and animal projects at the fair and would like to thank all of our participants for the hard work they are putting into their projects to ensure they are as well trained and well raised as possible.

I would also like to recognize our 2023 Ferry County Fair Royalty and thank them for their outstanding efforts as they have traveled to countless events around the area and spread the news about our incredible fair. I would like to take this opportunity to do some recruiting for next year's fair royalty and encourage all young ladies to consider this awesome opportunity to be ambassadors for next year's fair.

Lastly, I would like to welcome everyone to come be a part of the excitement and Discover Gold at the 2023 Ferry County Fair!

Travis Fletcher
Ferry County Fair Board President

OWNERS OF LIVESTOCK, HEALTH REQUIREMENTS FOR ANIMAL, **PLEASE READ** Also see “Animal Code of Ethics”

1. The fair will have official fair Veterinarian(s).
2. Individual Health Certificates on Washington animals are required for entry into the Ferry County Fair. The health status of entries is ascertained at the time of entry and will continue under the Barn Superintendent’s surveillance while on the Fairgrounds. All entries must be free from visible evidence of infectious and contagious disease when presented and must remain so while on exhibit. The fair Veterinarian will be the final authority in determination of suitability for exhibition and upheld by the fair Board and Association.
3. Any animal refused by the veterinarian at check-in must be removed from the Fairgrounds and returned home immediately. There are no facilities to house animals that can’t be exhibited. No animal from a quarantined area may be permitted to enter the fair or show.
4. Exhibitors should note and respect the potential for exposure to health-threatening conditions while at a Fair. Crowding of animals, long distance hauling and changing environmental conditions are major stresses to which exhibit animals are subjected. Animals, like humans, have the capability to become recovered carriers of viruses or other infectious agents. Exhibition-imposed stress may cause a recrudescence or reactivation with resulting outbreaks of disease. The fair Management will do all in its power to protect each exhibit while on display.
5. “4-H Animal Exhibitor Commitment to Quality Animal Care”. *The exhibitor has important responsibilities prior to fair time. Implement these responsibilities three weeks before entering the fair circuit. Vaccinations must be up to date and an effective

parasite control program employed. State-of-the-art preventative care strongly recommended for all animals exhibited.

6. Animals not intended for exhibition will be denied entry to the Fairgrounds.
7. Fair Veterinarians will reject any animal with infectious or contagious diseases or ectoparasites. Exhibitors should be aware that ringworm, warts, pinkeye, strangles, contagious ecthyma, scabies, lice, mites, ticks and fleas fall into these categories.
8. Animals exhibiting disease symptoms during the course of the fair will be rejected by the fair Veterinarian and removed from the exhibit area.
9. "Out-of-State" animal entries must comply with the State of Washington import regulations or receive an exemption from state veterinarians for exhibition at the fair only.
10. Barn Superintendents and Supervisors have the authority to call a veterinarian in an emergency. The owner will be responsible for all expenses incurred.

ABSOLUTELY NO DOGS ALLOWED ON THE FAIRGROUNDS DURING THE FAIR.

Please make boarding arrangements if you cannot leave your pet at home.

Only service and guide dogs permitted to enter the grounds. 4-H/Grange Dogs permitted in designated areas with proper 4-H/Grange identification available upon request. Designated travel routes are required for transporting exhibit dogs to the Dog Barn. Thank you for your cooperation and understanding. Please feel free to contact the fair manager with any concerns or questions regarding these rules.

CATTLE

- a. All female cattle over 12 months of age MUST be vaccinated for brucellosis (BANGS) virus.
- b. It is strongly recommended that preventive protection against IBR (infectious bovine rhinotracheitis), BVD (bovine virus diarrhea), PI3 (Para influenza 3 virus) and leptospira (5 serotypes), clostridial diseases, (i.e. Blackleg and malignant edema), pasteurella, haemophilus and RSV (respiratory syncytial virus) be provided. Immunization must be completed a minimum of 3 weeks prior to exhibition in order to provide the intended protection.

DOGS AND CATS

- a. All dogs, regardless of origin, THREE (3) months of age or over must show evidence of vaccination with an approved rabies vaccine. Exhibitors must present proof of vaccination by a licensed veterinarian, against rabies. Dogs should also be vaccinated against distemper, infectious hepatitis, leptospirosis, par influenza, parvo and corona viruses. Owner must bring proof of certificate indicating the dates of last shots.
- b. Vaccinate all Cats against rabies with an approved vaccine. Cats should also be vaccinated for feline panleukopenia, feline rhinotracheitis, Cilicia and leukemia viruses and Chlamydia.

EQUINE

- a. Consider preventative measures. Please see General Veterinarian Information.
- b. The West Nile Virus is being diagnosed in some equine in Washington. While not requiring vaccine protection from this mosquito-borne illness, appropriate vaccine protection is encouraged by the Fair.
- c. Since incidents of equine Rhinopneumonitis (Equine Herpes Virus, EHV-1), Eastern and Western Encephalomyelitis, Influenza and Tetanus occur in Washington, the fair recommends vaccine protection.

LLAMAS/RABBITS/CAVIES

- a. Consider preventative measures. Please see General Veterinarian Information.

BARN SUPERINTENDENTS OR SUPERVISORS WILL PERFORM A PRELIMINARY HEALTH INSPECTION UPON ARRIVAL.

SWINE

- a. All "Out of state" swine are required to have a certificate of Veterinary Inspection, Official USDA Identification and entry permit number, which may be a blanket permit number issued to that specific fair. Market hogs are required to be bought in State.

SHEEP/GOATS

- a. Consider preventive measures. Please see General Veterinarian Information.
- b. Scrapie Tag Requirement: All sheep and goats (4-H/Grange and Open) over 18 months of age (ewes, rams and wethers) and sexually intact sheep (rams and ewes) and all sexually intact goats (bucks and does) MUST have an official USDA Scrapie identification. Note: Market Lambs are NOT required to have Scrapie Tags per USDA guidelines. Scrapie defined as a fatal degenerative disease affecting the central nervous system of sheep and goats. Scrapie classified as a transmissible spongiform encephalopathy (TSE).

POULTRY

- a. Due to Salmonella Pullorum-Typhoid ALL show birds (excludes waterfowl, doves and pigeons) must have been bought from either NPIP participants, Hatcheries or feed store. Ask for a certificate from whom you purchased your bird.
- b. Or be tested (Blood drawn) within 90 days of fair by a vet. No exceptions and you will not be allowed to exhibit your bird.
- c. Barn Superintendents or Supervisors will perform a preliminary health inspection upon arrival and issue stall cards.

VETERINARIAN HOURS

The Veterinarian(s) will be on the grounds during the following hours to review the Barn Superintendents or Supervisors preliminary health inspections and to stamp stall cards. Be sure to check the time that your animals must be on the grounds by. **Monday 6-8 PM; Tuesday 8-10 AM; Wednesday 12-12:30 PM (Dogs/Cats) and 6-8 PM; Thursday 10AM-1PM.** Veterinarian hours are approximate and are subject to change without notice.

ANIMAL CODE OF ETHICS

This code of ethics applies to anyone bringing animals onto the Ferry County Fairgrounds. It includes rodeos, Junior as well as Open class exhibitors and 4-H/Grange. All classes of livestock offered are included; Cattle (Beef, Dairy), Goats (Angora, Cashmere, Dairy, Meat, Boer), Equine (Donkey, Horses, Mules), Llamas and other specialty animals, Poultry, Rabbit, Sheep, Swine and any other livestock.

The following practices or procedures are unacceptable and defined as being deceptive, fraudulent, unethical and inhumane in the care, fitting, preparation and showing of all classes of livestock. The use of any illegal drugs prohibited. Legal or illegal substances used to phenotypically alter the appearance of an animal entered in a livestock event is prohibited, (See rule #4). Use of illegal drugs is considered a premeditated act! Furthermore, any information obtained in the practice of illegal alteration of an animal will be turned over to the proper authorities for criminal prosecution. THIS IS A ONE STRIKE YOU ARE OUT POLICY. Exhibitor will forfeit any premium, awards, auction proceeds or use of the grounds and prohibited from future participation at the Ferry County Fairgrounds, as well as being subject to criminal prosecution if proven guilty.

The following is a listing of guidelines all owners and managers must follow:

1. Feed and water all animals at least once a day adequately. All reasonable measures will be made to keep stock contained. At no time will any stock be allowed to be loose on Fairgrounds. All liability incurred by loose stock will be that of the owner of said stock.
2. In the fair Market Sale, no exhibitor may show an animal previously sold at an auction or sale as a market animal through another fair or livestock show, whether or not there is an actual change of ownership (progressive level show excluded). Any method used to misrepresent the age of an animal for a class in which shown is deceptive and considered illegal. Claiming ownership in order to show in a specific livestock class or event prohibited. FALSE OWNERSHIP IS ILLEGAL.
3. All exhibitors during the fair or other shows expected to care for and groom their animals while on the Fairgrounds or livestock show. Adults not allowed to physically assist in the preparation of the animal while at the show. Verbal instruction allowed and members in good standing in the 4-H/Grange programs may provide assistance. Any violations of this rule could result in immediate disqualification from the show.
4. Treating an animal internally or externally, with any irritant, counter-irritant or other substance used to artificially change the conformation or appearance of an animal for show is considered unethical, inhumane and is prohibited. This includes, but is

not limited to the use of graphite, powders, hemp, artificial hair coloring, common products such as fly spray, ointment or liniment used to the point that it is irritating (unless required to reduce edema at time of calving) or similar type products. The use of dyes, spray paint or other artificial coloring, which result in altering an animal's true and natural appearance and/or color, prohibited. Adding false hair or hair-like material, fleece or skin at any point, spot or area of the animal's body is illegal and will result in immediate disqualification. Any liquid or substance not considered a part of an accepted and normal diet for livestock deemed illegal and inhumane. For example: the use of alcoholic or carbonated beverages as a drench or filler.

5. The use of tranquilizers, sedatives or depressants, (Herbal or Non-Herbal) which alter the physical or physiological state of the animal is illegal. Exceptions to this rule would be a licensed, certified Veterinarian's treatment for a recognized disease or injury or recommendation for tranquilizing breeding animals in heat that might compromise the safety of others. The drugs must be approved by the Food and Drug Administration. All market exhibitors shall advise show management of any drugs and medications administered to an animal detected at the time of showing or at meat inspection. The name of the drug, its purpose, the person who administered the drug, time and date of administration shall be presented to show management prior to the showing and sale of animal. Failure to report this information to the show management will result in severe penalty, disqualification or both. Any use of drugs or substances not approved by the Food and Drug Administration strictly prohibited. All animals entered into livestock competition shall be subject to testing for foreign substances that exceed acceptable levels established by the FDA, FSIS, USDA or EPA. During a market livestock event, in the case of animals requiring treatment, a licensed Veterinarian shall administer all medications and the livestock show officials shall be notified.
6. Surgery, injection or insertion of foreign materials under the skin or into the flesh of an animal to change the natural contour, conformation or appearance of an animal's body is illegal. This includes vegetable oil, silicon or any other substance used to alter the shape of the animal. Acceptable practices of physical preparation allowed include clipping of hair, trimming of hooves, dehorning or removal of ancillary teats.
7. The balancing of the udder by abnormal means that includes the use of a mechanical contrivance or the injection of fluid or drugs, setting the teats or occluding (sealing the ends) with a mechanical contrivance or with the use of a chemical preparation is illegal. Treating or massaging the udder or its attachments with an irritant or counter irritant is prohibited.
8. The use of inhumane fitting, showing or handling practices or devices not tolerated. For example, breaking of tails, striking of the animal to cause swelling or for bracing purposes or use of overly severe bits is not acceptable.
9. Direct criticism or interference with the judge, show management, other exhibitors, breed representatives or show officials before, during or after the competitive event prohibited.
10. At the time an animal is sold at a market auction in the livestock show and travels directly to slaughter, the exhibitor shall be held directly responsible for animals that are rejected at a processing center due to the presence of foreign residues. The seller may be liable to the buyer for an amount equal to three times the purchase price and may be liable for attorney's fees and civil penalties. **Show management may share acceptable intelligence and evidence information with FDA and USDA.** If for any reason, the FDA or USDA inspectors must remove any part of a meat animal carcass, the market price will be discounted.
11. Show management reserves the right to require animal health certificates. Health inspections and diagnostic tests may be made before or after animals are on the livestock show premises for exhibitor and animal safety or to inaugurate disease control procedures, which may become necessary in emergencies as determined by animal health officials.

Any violation of these "Animal Code of Ethics" or specific rules as designated by the Fair, could result in forfeiture of premiums and awards, disqualification and may result in probationary status, loss of eligibility or both for future participation in organized events. **Possible civil penalties may be imposed by the proper authorities based on evidence provided by the livestock show of exhibitors in violation of the Federal Food, Drug and Cosmetic act, the animal mistreatment, neglect and abandonment laws or both that apply on the local, state and national levels.** Other cooperating shows will be notified of the action taken by fair management, which may affect the eligibility of the individual, group or sponsoring organization for participation at other shows.

By making entry in a livestock or equine show or event you are verifying you have read the "Animal Code of Ethics" and understand the consequences of the penalties involved for illegal, unethical, inhumane and unfair practices of competition. You also verify that you and your family may be prohibited from future participation in organized Fairs, livestock and equine shows in the United States and could face possible criminal prosecution and civil penalties if implicated in any of the aforementioned acts.

**** THE DECISION OF THE FAIR MANAGEMENT IS FINAL. ****

21. The management reserves the final and absolute right to interpret these rules and regulations, to settle and determine all matters, questions and controversies thereto and otherwise arising out of, in connection with or incident to the show.

JUDGING – THE DANISH SYSTEM

The Ferry County fair uses the Danish System of judging, this method of judging also known as the “Group Method”

Exhibits graded based on Blue, Red and White awards known as the Danish System that permits more equitable recognition of good exhibits. Grand and Best of Show Ribbons are awarded based on judge’s decision. When articles are not deemed worthy, judges can refuse to award Grand or Reserve as well as premium, whether there is competition in the class or not. Judges must follow fair rules and policies and if so, the Judges decisions are final!

DEFINITION – A method of evaluating exhibits, entries and participants in a particular class or contest according to the standards developed for that class or contest.

HOW TO USE – After the evaluation of each item in the class, the entire class is subdivided into 4 groups according to their merit. If the performance of an individual is being evaluated, give due consideration to their age.

THE FOUR GROUPS

BLUE: Excellent, does not indicate perfection.

RED: Good, things that are good in relation to the class standards, enough specific shortcomings found to cause the placing to drop from excellent too good.

WHITE: Fair, this group contains those things (exhibits or contestants) that upon evaluation found lacking and rate only average or moderately satisfactory.

NO AWARD: Those exhibits or contestants who for one reason or another fail to produce that level of achievement which can be reasonably expected.

CHAMPION POINTS *OVERALL 25 PT, GRAND CHAMPION 25 PT, RESERVE CHAMPION 15 PT
NO WHITE or RED RIBBON will be awarded to OVERALL, GRAND CHAMPIONS, BLUE RIBBON ONLY.**

QUALITY CRITERIA

1. FILLED JAR

- Headspace must correspond to instructions from the reference guides listed. The top of the finished recipe or liquid covering produce must provide adequate headspace as stated in approved guidelines.
- Air bubbles must be kept to a minimum. (Gas bubbles denote spoilage and can be identified by movement of bubbles to the surface of the product while the jar is stationary. Products indicating presence of gas bubbles must be disqualified.)
- REMOVE BANDS-NO RINGS.

2. HEAT PROCESS

- Method used to heat process food must comply with current preserving guidelines as stated in the approved reference guides. The boiling-water process for acid food and pressure process for low-acid food are the only recommended methods to preserve food for shelf storage.
- Time for correctly heat processing food varies depending on each specific recipe or food type. Processing time must be in agreement with the approved reference guides.

3. PRODUCT APPEARANCE

- Produce should be free from blemishes, disease and spoilage. Recipes prepared with stems, pits and peels intact are acceptable if

the recipe is in keeping with all other preserving guidelines

- Liquid must be clear and free from cloudiness and small particles unless recipe ingredients have a natural effect on product clarity.
- Color of the finished product should be as close as possible to its natural characteristics or that for cooked product.
- Texture is affected by heat processing; however, the finished product should not easily break down or appear over-cooked.
- Ingredients should retain their shape and size based on the type and preparation method. Cut pieces of uniform size should be packed evenly in the jar yet allow adequate room for liquid to circulate throughout the jar.

OPEN QUILTS

Youth – Department 32

Adult – Department 33

- A quilt is two layers of fabric sandwiched with a center fill and held together by stitching or tying.
- Quilts may have taken more than one (1) year to complete and have not been exhibited at the fair before.
- Quilts must be completed, cleaned and presentable to show (thread removed, no marking, etc).

The Washington State Quilters Guild of Spokane will be awarding a cash prize of \$20 and ribbon to the first place winner and one additional for the second place winner.

Quilts of any size, crib quilts or wall hangings in the adult open division that show best work in construction, use of color and design and application of hand quilting or machine quilting stitches are eligible for this award. Whole cloth quilts are also included. **All quilts must be owned by the exhibitor.**

All quilts must be pieced/applied by the exhibitor. WSQ is allowing quilts that have been machine or hand quilted by others to be eligible for this award. A quilt that is entered with **all** work completed by exhibitor should be given special consideration for this award.

Ann Westlake Creativity Award given by Piece & Pals Quilt Guild. Must be an original design by exhibitor.

4-H/GRANGE HERDSMANSHIP RULES

All animal exhibitors (4-H/Grange and Open) MUST sign-up for and perform duties as described by barn superintendent, individuals WILL sign-up for a day and time slot.

DUTIES:

- Keep all pens, equipment and alleys clean and neat, entering pens only in compliance with fair rules.
- Approach visitors and ask if they have any questions about the exhibits. Inform them of what goes into raising an animal and

showing it. Be courteous; remember you are representing the 4-H/Grange Program.

- Individuals are responsible for the barn during their duty. Individuals MUST be on duty according to the preassigned roster. Members may be allowed to trade duty with other 4-H'ers with the approval of their BARN SUPERINTENDENT. This system will make the barns neater and uniform, reduce hours on herdsman's duty and give us higher state evaluation points, which will mean more premium money in the future.
- If you DO NOT serve your barn duty, leave your animal uncared for, leave tack lying around, etc. ALL of Your PREMIUM CHECK COULD BE WITHHELD for that project. The Barn Superintendents, fair Association and fair Business Manager have the authority to enforce this rule. This duty may only be served by the 4-H/Grange member.
- Clean all pens by 9:00 AM (Tuesday, Wednesday, Thursday and Sunday) by the 4-H/Grange Exhibitor.
- Exhibitors shall have until 12:00 PM on Friday and Saturday. All Exhibitors must feed, water and clean the pens of their animals.
- HORSE Exhibitors, including Open, are responsible for their horses and their stalls.
- Random checks using a standard checklist conducted. Example Checklist: stall cleaned, animal fed, water buckets clean and functional, tack put away, animal clean, etc.
- 4-H/Grange members will NOT be responsible for OPEN Exhibitor's herdsman's duties. 4-H members will NOT clean stalls, pens, hutches, etc. of an OPEN Exhibitor. If asked to do so, please report it to your Barn Superintendent or 4-H Coordinator.
- 4-H/Grangers may share a horse within the same household and only show with the other having an exemption to Showmanship. The rest of the classes split amongst the Members. Both Members must keep records on the single horse and equally maintain the project or neither Member allowed participation with this horse at the Fair. The ultimate decision will be made by the Club Leader(s) prior to fair Registration to be sure this allowance is not abused and both Members are doing equal work.

FERRY COUNTY FAIR MARKET SALE

SATURDAY – 6:00 PM IN THE FAGERLIE LIVESTOCK PAVILION

- This sale is limited to 4-H/Grange Market Animals of enrolled members for the current year either in the Ferry County or Colville Reservation 4-H/Grange Program.
- All Market Animals shall be weighed in and tagged by the Livestock Superintendents or their delegates to determine if they may be entered in the Market Animal classes.
- For market beef project be sure to bring a copy of your brand inspection sheet. Received from whomever you purchased the animal, to turn in at weigh in. Beef exhibitors need to have two (2) brand slips at weigh in, one slip from the producer to the exhibitor and one from the exhibitor to the Ferry County fair for inspection from the state Brand Inspector.
- Members enrolled in Livestock Projects who wish to market their animals through the Sale, MUST so indicate when registering by checking the appropriate box for that animal.
- NO HORNS or re-growth allowed over 1" on market steers and all Male Livestock MUST be castrated and completely healed from both procedures. If the animal is not fully healed, it will be removed from the fairgrounds.
- Market Animals will be listed on a sheet with placing.
- Members are limited to the sale of two animals per individual and must be of different species.
- If an Exhibitor shows more than one animal in any Market Class, the second animal is NOT eligible for Grand or Reserve Champion ribbons.
- GRAND and RESERVE CHAMPION Animals MUST sell at the Ferry County fair Market Sale – NO EXCEPTIONS.
- If any of the Market Animals sold on the rail and tracked, the owner will be paid according to what price it brings and support, less sale set aside percentage.
- Under finished, non-market looking animals can be given a White Ribbon. NO WHITE RIBBON animals sold at the auction.
- Lambs, Goats and Hogs weighing OVER their maximum weight limit, which go through the Market Animal Sale, will be sold at the maximum weight limit (Steers – no maximum). Hogs, Lambs and Steers weighing LESS than the minimum weight limit will be entered into their appropriate Feeder Class and will not be sold at the Sale. NO EXCEPTIONS.

Weight limits on Market Animals for the sale are as follows:

Market Steer	1,000 lbs minimum and must be 20 months or younger and born in prior year
Market Lamb	100 lbs to 160 lbs and must be SEVEN (7) months or younger
Market Hog	225 lbs to 300 lbs and must be SEVEN (7) months or younger
Market Goat	65 lbs to 120 lbs and must be 12 months or younger

- Terms of the Market Animal Sale shall be cash or check. Purchasers please arrange for destination of their purchase before leav-

- ing. Animals sold must go to slaughter or home of buyer. Livestock weighed with shrink as posted at the scales.
- A maximum of 4% of the total sale price may be withheld and retained to cover the cost of the sale and for an educational fund, managed by Ferry County 4-H Leader's Council. The actual percentage will be determined by the Ferry County fair Market Sale Committee.
- All 4-H Livestock members selling Market Animals at the sale on Saturday evening will be responsible for the welfare of their animals ending at 4:00 PM on Sunday or until the animal is loaded for shipping.
- Carcasses, condemned by packers because of drug use, shall be the responsibility of the owner and all support and premium money for the animal forfeited.
